Subject: Important Message: Breakfast and Lunch Program Meals

We have exciting news to share with you regarding the school meal service being provided for your child.

The U.S. Department of Agriculture (USDA) has announced schools will be able to serve free meals to all children through December 31, 2020, or until the federal funding runs out. This unprecedented move will help ensure – no matter what the situation is on-the-ground – children have access to nutritious food as the country recovers from the COVID-19 pandemic.

It remains critical our children continue to receive safe, healthy, and nutritious food. This will ensure meals are reaching all children – whether they are learning in the classroom or virtually – so they are fed and ready to learn, even in new and ever-changing learning environments.

Effective Tuesday, September 8, 2020 your child can receive a free breakfast and a free lunch at school.

If your child is participating in virtual learning, five (5) free breakfasts and five (5) free lunches will be available for pick up in the rear of the Duncan Lake Middle School every Monday from 9:15 A.M. – 10:15 A.M. starting September 21 and will continue throughout the school year.

We hope this news helps all Caledonia families. There is a new menu posted on the district website under Food Service.

We look forward to serving your children.

Sincerely,

Mimi Mahaney-Stalzer, FSD
